# Frontend Developer

## Despre mine

I'm a Junior Front End Developer completing my Full Stack course in JavaScript and BA in Mechanical Engineering. In the work process, I became responsible and adaptable to different situations. My main advantage is that I'm already oriented in my career and focused only on growth in this field.

Fundamentals HTML/CSS+terminal

JavaScript

Git and GitHub

Agile principles

React js

Technique QA engineering (Test Case, Check List, Integration testing, Functional Tests, )
