Marketing Manager, PPC Manager, SEO Specialist, Marketing Consultant, Marketing Analyst

Despre mine

Digital Marketing Professional with 11+ years of experience specializing in B2B IT Marketing / E-Commerce Marketing.

- I have a strong background in driving results in the US and EU markets.

- I have held the Head of Digital Marketing and Digital Marketing Manager positions.

I am an expert in digital marketing, with a focus on Marketing Strategy, Branding, Search Engine Optimization (SEO), Pay-Per-Click (PPC), god of Content Marketing, Social Media Marketing (SMM), Reputation Management (SERM), Email Marketing, Positioning, YouTube Promotion, Market Research, Conversion Rate Optimization (CRO), Referral Marketing, Data analysis, Retargeting Marketing etc.

-I also implemented a marketing department transformation and established inbound marketing processes from scratch, resulting in successful lead-generation campaigns.

-I am confident in my ability to drive results and achieve success for almost any company.

- I'm implemented 360 analytics and detailed user tracking to drive data-driven decisions and improve the user experience, resulting in an improved customer journey.

- Implemented an account-based marketing program, resulting in 37% higher engagement rates and accelerating the sales cycle for strategic accounts.

- Led a full website redesign leveraging AI for content optimization and personalization, boosting conversion rates by 17% year-over-year.

- Developed a complete content strategy to drive traffic and communicate thought leadership at all levels of the decision-making funnel, resulting in about 2x more MQLs and a 1.5x improvement in decision-making speed.

- Launched an online reputation management project, resulting in improved brand reputation and increased customer and employee trust.

- Optimized paid advertising spend across search, social, and programmatic channels, increasing ROAS by 1621% while reducing overall ad spend by \$252000 per year.

- I designed and created a user-friendly and modern website,

resulting in a 7x increase in content prototyping speed, a drop in average load time from 8.2s to 2.3s, an uptime boost to 99.95%, and a threefold increase in conversion rate.

- I've restructured the digital marketing division, managing a team of more than sixteen professional experts and two suppliers to drive business growth. Completely designed SEO, PPC, Email Marketing, Analytics, Content Marketing, and Social Media Marketing and Reputation (SERM) streams.

- Spearheaded the launch of a new services line, delivering an integrated multi-channel marketing campaign that generated huge numbers (NDA) in revenue in the first year.
