.NET Developer

Work experience

Solutions developer · LIB-IT DMS · Pleidelsheim, Germania

October 2023 - Present · 1 year 5 months

Development of add-ins Additional software component that is permanently installed and usefully extends its existing functions.

C#, Windows forms.

REST API, SOAP API

COS (Cache Object Script)

InterSystems

Syncfusion

BLAZOR

Skills: C#, Blazor, Team Working

Application developer · Emm!Solutions GmbH · Weil der Stadt , Germany

October 2023 - December 2023 · 3 months

- Software developer for driverless transport systems.

- Development and optimization of the vehicle software.

- Implementation of software modules for specific applications.

Skills: Team Working, Intercultural Communication

Advance development engineer · Advanced Sensor Technologies GmbH · Calw/Hirsau, Germany

February 2022 - October 2023 · 1 year 8 months

- python coding, set up RS232 remote communication with power supply

- data acquisition for Look Up Table

- code the concentration of a gas mixture as function of 3-Omega Signal and Temperature

- offer scientific consultation in the field of thermophysical properties of gas mixtures

- Doxygen code analysis

Skills: Team Working

👤 34 years

♀ Female

📍 Chişinău
